

Have you ever said, “I wish I could do more”? If you are a woman pressed for time with a life crowded with multiple activities but with a large heart and passion to do more for your community, *100+ Women Who Care* is the perfect group for you.

Meetings are only one hour every four months. In that one hour, 100 women select a local charity, write a \$100 check, and raise \$10,000 for that charity.

There are no volunteering hours, no event planning, no silent-auction donations to solicit, and no telemarketing.

In that one hour, you can make a meaningful impact in our community—changes you will see and know that you helped create.

You also will meet 99 other women of all walks of life who, like you, want to help our communities.

Come join us! You not only will be improving the lives of others but will be enriching your own life.

## Who Are We?

We are a group of local women who have joined together to support our local communities.

As individuals we feel it is difficult to have an impact; but, as a group, we have the ability to make a great impact on the Milwaukee Metro West area in ways that we never before thought possible by ourselves.

## Our Mission

Our mission is to bring together, for one hour every four months, at least 100 women who each contribute \$100 to a local charity, chosen in that one hour, that will make a significant difference in our communities.

The idea is to keep it local and have an impact that WE can SEE!
